*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Assistant to the Director

DATE: 29 November 1951

FROM : CIA Historian

SUBJECT: Comments upon Section II of Progress Report - THE NATIONAL INTELLIGENCE  
PROBLEM: Historical Review of Developments and Concepts 1 January 1946 -  
1 October 1950

This is an admirable paper. It is comprehensive and informing. It has been written with a sure hand and from thorough knowledge of the facts.

As the historian of the Agency, I could only wish that Mr. Houston had been given time and space to write more. He has fixed the essentials, however, and pointed to a great number of inquiries for me. Some of these he himself has already answered in our discussions. He has indicated probable answers to a great many more.
